Zilver Hand Shower Set

Item Code : **J0112S**

Basic information:

Hand Shower Set

hand showers are compatible with all shower hoses. Simply screw them on. The shower heads are available as individual products, in conjunction with a hose and shower rail in the shower set or as a porter set, with shower support and hose. Our hand showers are also suitable for continuous flow heaters. All of them are easy to clean. To descale, simply rub the silicone nozzles on the shower head
