# Zilver Sink Mixer

## Item Code : BE117

### **HEAVY DUTY DESIGN:**

kitchen sink faucets are designed to durably handle the rigors of a busy kitchen. Our pull out kitchen faucet features a high quality, sturdy all-metal body and handle, rust-resistant finishing, heavy duty spring, and a superior-grade ceramic cartridge.

### **ENJOY GREAT FUNCTIONALITY:**

With a one-function kitchen faucet sprayer and a separate pot filler spout, this pull out faucet allows you to handle all types of tasks. The spray head and stream spout can swivel around 360 degrees for full sink access, and the pre-rinse faucet ensures high pressure while still saving on water.

### **EASY TO USE:**

We've equipped this pull out spray kitchen faucet with a single handle that conveniently controls both water volume and temperature. You'll love the smooth swivel action, stress-free pull down, and secure docking of the faucet pull out sprayer when not in use. The ingenuity and convenience of the sprayer lock design allow you to utilize one hand to do while when you are washing.
