# Zilver Open Shower Set

## Item code

JB13d95MB,JB13c95,JB13c95MB

The Open Shower Set is an elegant and functional bathroom fixture designed to enhance the showering experience while complementing modern interiors. Featuring a minimalist exposed design, this set usually includes a shower mixer, overhead rain shower, and an optional handheld showerhead, all mounted directly onto the wall. Made from high-quality, durable materials, the open shower set provides easy access to both hot and cold water control.

### Features

- Rain Showerhead
- Handheld Showerhead
- Durable Materials
- Thermostatic Control
- Multi-Function Spray Modes
